BCA's mission is to nurture a dynamic environment through the arts that makes quality experiences accessible regardless of economic, social or physical constraints. We do this by:

Supporting and promoting Vermont artists and advancing the creation of new work

Offering a wide spectrum of arts education and engagement opportunities

Presenting exhibitions and events that place Burlington in a global context, promote critical dialogue and encourage local participation

Serving as the City of Burlington's cultural planner by making the arts integral to the area's economic and civic development, urban design, and livability.
