Joint meeting with members of the South Burlington Bicycle & Pedestrian Committee

AGENDA:

1. Announcements and Updates (10 min)

2. BWBC and SB BPC Overviews and intros (20 min)

We'll do introductions, and share info on our missions, structure, and recent activities to get to know each other better and understand how we can work together.

3. I-89 Bike/Pedestrian Bridge Connections (30 min)

We'll review the [recent memo](#) on connections to the bridge that will hopefully begin construction soon, and discuss how the BWBC and SB BPC can work together towards connections between the two city centers.

4. Local Complete Streets Policy (30 min)

We'll start a conversation on other possibilities for collaboration between the two committees as well as other regional committees. This includes discussing the possibility of a group ride that leads into a joint/regional walk-bike groups meeting.

Previous Meeting – At the [March 12th, 2025 meeting](#), we got updates on the Battery St. project and NNE Sidewalk Scoping Study, talked about what would be done with the new bond money, and discussed the possibility of a Complete Streets Policy for Burlington.

Next Month: BWBC Meets Wednesday, May 7th, 2025, 5:30 – 7:00 pm

The BWBC is an all-volunteer advisory council to the City of Burlington. We work closely with and advise the Department of Public Works and the Department of Parks, Recreation, & Waterfront on infrastructure improvements and policy changes for walking and bicycling. The council also leads advocacy efforts and organizes events and activities that promote and celebrate walking and biking in Burlington and beyond.
