

Appeal for Menu Modification

I am writing to formally appeal the decision to decline the modification of my food cart menu.

Below, I have outlined the key points I wish to address at the upcoming hearing:

- Operations: Alok will be helping me operate my food cart this year, but I remain the owner of the business.
- Menu Items: Our menu vs Lalguras menu and the distinct differences based on regional recipes.
- Competition Concerns: Review other food cart menu's on Church st.

I look forward to the opportunity to discuss this further.

Thank you for your time and consideration.
