Describe the type of event/ OCP Area
We are going to change the location of this outside permit as in-front of the loading bay created some challenges for moving furniture around. We would like the small size ~15 ft x ~15 and located to the Norrth side of the building next to Haymaker buns where the building has picnic tables already set up . We would have an outside bartender working in front of the tables to keep an eye on customers. And, we will have ropes around the area to designate the alcoholic area.
