9 Passcode: 091788

AGENDA:

1. Announcements and Updates (10 min)

2. Pedestrian Pilot Project on Green Acres Drive (30 min)

We'll get a presentation from DPW on their proposed [Pedestrian Pilot Project](#) on Green Acres Drive, followed by discussion.

3. Demonstration Projects (30 min)

Following up on the discussion from last month, we'll decide which potential projects we'd like to propose. Currently being considered are protected bike lanes on North Ave, improvements to the ped crossing on North Ave at Ethan Allen shopping center, installing bike corrals in parking spots reserved for taxis downtown, mini-protected bike lanes at an intersection TBD, and removing the northbound slip lane at S. Union and St. Paul.

4. NACTO Membership for Burlington (20 min)

We'll talk with DPW about the merits and possibilities for Burlington becoming an Affiliate Member of NACTO (National Association of City Transportation Officials), which promotes sustainable and equitable transportation practices.

Previous Meeting – At the [June 2nd, 2025 meeting](#), we discussed how the demonstration project program works, and ideas for projects we might propose. We also decided to have a group bike ride and regional meetup on Aug 6 in place of our regular meeting, and got an update on plans for an Open Streets event in September.

Next Month: Instead of our regular meeting, BWBC will host a group bike ride and Regional Advocates Meet Up on Wednesday, August 6th, 2025, 5:30 – 7:30 pm

The BWBC is an all-volunteer advisory council to the City of Burlington. We work closely with and advise the Department of Public Works and the Department of Parks, Recreation, & Waterfront on infrastructure improvements and policy changes for walking and bicycling. The council also leads advocacy efforts and organizes events and activities that promote and celebrate walking and biking in Burlington and beyond.
