Participation Guidelines:

1. We are collectively responsible for following the NPA Meeting Agenda as closely as possible regarding both presentation/discussion topics and time.
2. Participants at the NPA will act in a positive, courteous manner that respects all of those present (both participants and presenters/guests) and their differing opinions, experiences and perspectives.
3. Any attendee requesting to speak who has not yet spoken at a meeting will be called on before others who have already had a chance to speak. Priority is given to Ward 1 residents.
4. Whenever speaking, please be sure to project your voice and use the provided microphone if provided.
5. If the facilitator feels the need to "redirect" activity in the room based on these guidelines, the facilitator will do so per point number 1 above.
