Phone: (802) 864-4554 Fax: (802) 865-5387

This treemap summarizes the distribution of 870 completed and reviewed incidents by incident category and type. It reflects only reports that have been finalized and reviewed and does not include incidents that are still pending completion or awaiting approval, which may result in differences from total incident counts reported elsewhere.

EMS Data:

Confirmed drug overdose events have fluctuated significantly over the past five years, with monthly totals ranging from a low of 7 events in January 2021 to a peak of 47 events in September 2023. Following elevated activity during 2022–2024, overdose incidents generally declined through late 2025 and early 2026. May 2026 recorded 25 confirmed overdose events, representing an increase from the previous several months and the highest monthly total recorded so far in 2026.

Phone: (802) 864-4554 Fax: (802) 865-5387

BFD Events Dispatched as Overdoses
Confirmed on scene vs. not confirmed on scene

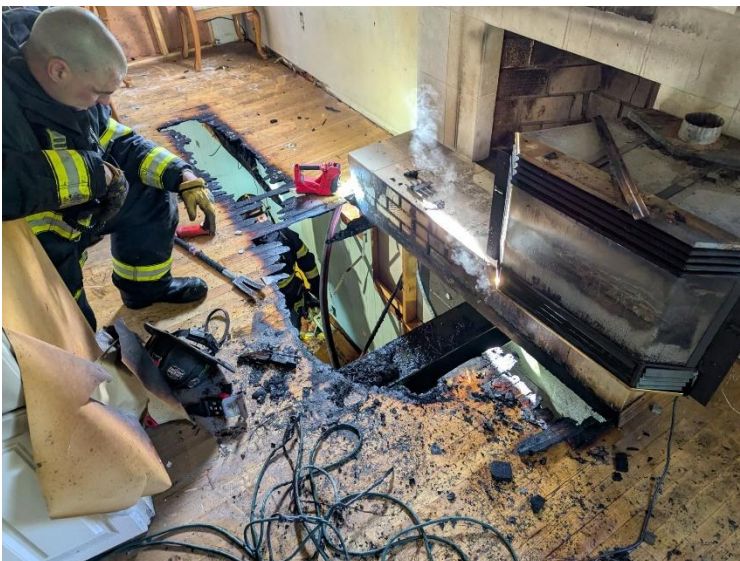

Confirmation obtained via responder diagnosis in Siren
Data through 5/31/26

This chart shows the number of BFD calls that were dispatched as overdoses each month, compared to how many were actually confirmed as overdoses once crews arrived on scene. While the total number of overdose-dispatched calls rises and falls over time, only a portion of those calls are ultimately confirmed by responders. In most months, confirmed overdoses make up roughly 20–40% of the total, with some variation.

CRT Data for May 2026:

Staffed 6 days for the month of May

| Total Contacts | Narcan Kits | Wound Care Kits | Comfort Care Kit | Referrals |
|----------------|-------------|-----------------|------------------|-----------|
| 27 | 0 | 0 | 0 | 1 |

DIVISION UPDATES:

Training Division:

Eight members completed Swiftwater Rescue Technician training through Vermont EMS Academy.

- Four members attended hands on skills training at Metro Boston Fire School.
- Six members attended hands on Technical Rescue Training through New England Rescue Collaborative.
- Three members attended Rope Rescue Operations with the Vermont USAR team.
- Recruit Academy 26-01 is under way with five new recruits. The Academy is expected to finish on October 2nd.
- The department is nearly finished with Spring Live Burn Training. B shift completed their burn on May 6, C shift on May 20. A shifts burn is scheduled for June 3rd.
- The department received a grant extension for the Live Burn Training and will begin scheduling another round of live burns for the Fall.

Operations Division:

4/17: Attended a LEMP meeting with representatives from the Red Cross and VEMA.

- 5/6: Participated in a Live Burn training exercise with B Shift at the Vermont Fire Academy (VFA).
- 5/14: Attended a recognition ceremony at UVMHC for members whose actions during a recent trauma incident resulted in a life-saving outcome.
- 5/24: Staffed the EOC for the City Marathon; reported no significant events despite heavy rain.
- 6/1: Attended the Boston Fire Department LODD funeral accompanied by a delegation of 11 department members.

Ongoing & Regular Engagements

- Budgeting: Active participation in budget planning meetings.
- Dispatch: Ongoing attendance at regularly scheduled meetings with the Dispatch Supervisor.
- Fleet Management: Regular meetings regarding the department's fleet replacement strategy.
- Inter-Agency Coordination: Regular meetings held with BC EMS, the Training Division, and the Fire Marshal's Office.
- New Ladder 2: Continued committee and dealer discussions regarding apparatus specifications and necessary design changes.
- Problem Properties: Consistent attendance and monitoring of the City's problem properties.
- Public Events: Currently engaged in preparatory meetings for the July 3rd fireworks display at the waterfront.
- Rescue Assets: Actively pursuing grants for technical rescue gear and training; currently awaiting a status update on the rescue boat grant application submitted to the VT HSU.

FMO Division:

Attended the BHS monthly safety meeting to discuss current fire safety inspections. Also discussed the importance of reporting all fire occurrences no matter how small. Offered to visit all schools to conduct fire safety education and train school staff in the use of fire extinguishers. Attended monthly meetings with DPW and DPI. Attended BFD live burns at the VT Fire Academy.

BURLINGTON FIRE DEPARTMENT

Phone: (802) 864-4554 Fax: (802) 865-5387

EMS Division Update:

LIFEPAK 35 Implementation

The EMS Division continues preparations for deployment of the new LIFEPAK 35 cardiac monitors. Initial training has been completed, with scenario-based training scheduled prior to implementation. Deployment will expand advanced monitoring capabilities to reserve ambulances A5 and A6, as well as Car-5, improving fleet readiness, operational resilience, and equipment standardization across the EMS system.

EMS Data & Strategic Reporting

On May 28, 2026, the EMS Division presented updated EMS utilization data to the Public Safety Committee. Building on this work, the Division is developing a monthly EMS report designed to move beyond call-volume statistics and provide trend analysis, strategic insights, and operational recommendations.

Future reporting will incorporate patient demographics, utilization patterns, overdose trends, and other emerging community indicators to better support operational planning and resource allocation. The first edition of this enhanced report is anticipated in August 2026.

These initiatives reflect the EMS Division's continued focus on advancing patient care, operational readiness, and data-informed decision-making.

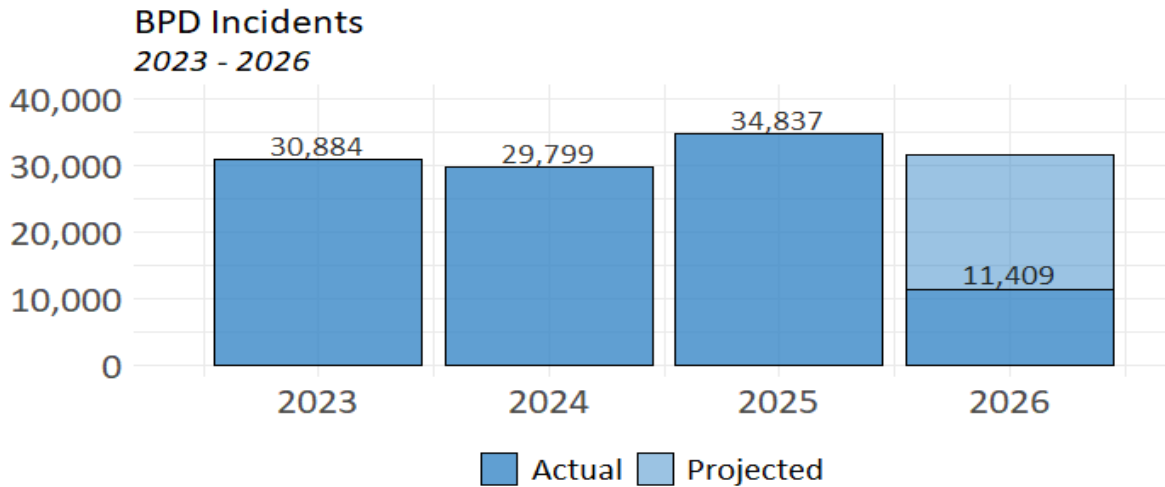

Administration Division:

- Station Projects:
 - Station 1 – Window renovation timeline still TBD
 - Station 1 – Initial stages of kitchen renovation project
 - Station 1 – Basement garage door needs complete replacement
 - Station 1 – Conference room mini-split to be repaired
 - Station 1 – Working with Capt. Burns and Kim Bleakley to repair front ramp.
 - Station 2 – Apparatus floor project is complete, other than plans to stripe apparatus
 - Station 2 – Basement garage door complete replacement needed
 - Station 2 – RTU motor recently replaced.
 - Station 3 – Ongoing planning phase for dorm-room remodel
 - Station 3 – Basement heater requires replacement.
 - Station 3 – Recent completion of significant repairs/replacements to Sprinkler system.

 - Station 4 & Station 5 – Plan to push for parking lot and front ramp repairs.
 - All stations – HVAC PM Service was recently completed.
- Personnel Projects:
 - Collaboration with HR and BC Savoy to roll-out use of UKG for Annual Employee Appraisal Process. Training on process and new UKG appraisal tool will be in early June.
 - Collaboration with HR and BC Savoy related to employee onboarding process.
 - Collaboration with HR and BFFA relative to job descriptions.
 - Finalizing preparations for new hires
- Policy Projects:
 - Working with city attorney's office to finalize changes to Ride-Along Policy and the implementation of a cost recovery fee when completing background checks for observers.
 - Exploring the potential for CAD shared services in collaboration with City IT.

Burlington Police - Public Safety Committee Report June 2026

Incidents

*Data through 05/31/2026
Projected based on 36% of past year's incidents having occurred by that date.*

The Burlington Police Department currently has a total of 96 employees: 58 sworn officers and 37 professional staff. Of the 58 sworn personnel, 43 are officers and 15 are supervisors, resulting in an effective number of 49.

Out of the 43 non-supervisory, 8 are Detectives within the Detective Service Bureau (DSB) and Chittenden Unit for Special Investigations (CUSI), 6 at the airport, 1 Recruitment Officer, 1 on military leave, 1 in field training (FTO), 2 injured, and 2 on administrative leave.

With the assignments taken into account, the Department has 22 active patrol officers in the Uniformed Service Bureau (USB) that spread across six different shifts, typically resulting in 4 or 5 officers covering the city at a time. Additionally, the BPD currently has 7 active patrol supervisors consisting of 2 lieutenants and 5 sergeants.

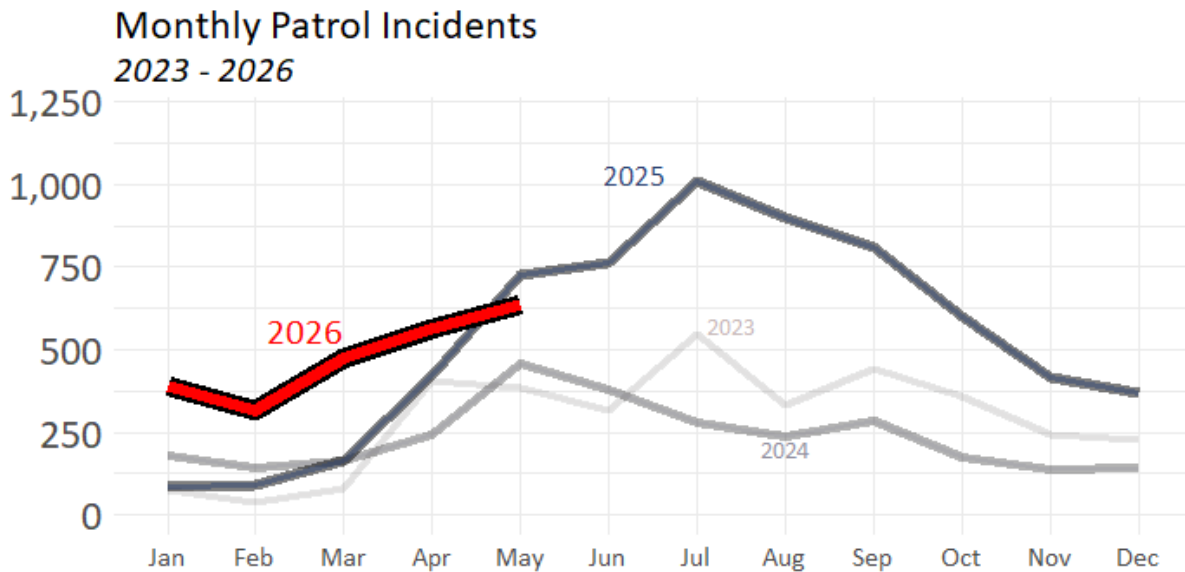

We have had one recent retirement - Kris Young, who completed his 20 years as an officer with the BPD. He celebrated his retirement with a hall walk on Thursday, June 18th at the Department to close out his service.

The BPD has one Probationary Police Officer beginning her 14-week, field training on July 3rd. After successfully passing Field Training, she will officially begin work as an independent BPD officer.

Beach and Parks Patrol has just begun their summer work after completing training, with 5 employees actively working between the Church Street Marketplace and the City of Burlington's network of parks and paths.

Patrols

The department tracks foot and vehicle based (directed) patrols as separate incident types. Foot patrols are typically longer in duration and are focused on City Hall Park and the Church Street Marketplace. Directed patrols are conducted across the city and are generally shorter duration focused on “hot spots”. Hot spots are identified through call data or other complaints from the public.

*Data through 05/31/2026
Includes Foot Patrols and Directed Patrols by all staff.*

The following three tables illustrate how the department utilizes its personnel across employee groups. Community Service Officers (CSOs) and Community Support Liaisons (CSLs) serve as primary responders for specific incident types, based on their expertise and the level of risk associated with the call. Sworn officers remain the primary responders for the majority of incidents for which BPD is responsible.

One of the department’s most successful strategies has been the continued use of the co-responder model. This approach enhances staff safety while ensuring that the most appropriate resource is deployed to address the underlying cause of an incident efficiently and effectively.

The department will continue to monitor this data and evaluate the effectiveness of its primary responder designations to ensure resources are deployed in the most effective manner possible.

Community Service Officer Incidents

Distribution of Incidents

In 2025 the department was tracking the Top 20 people associated with police incidents. Modeled in part on the Impact Cohort reporting BFD does, Analyst Jeff Nicholson has identified the Top 2% of people who account for 18% of BPD’s total incidents.

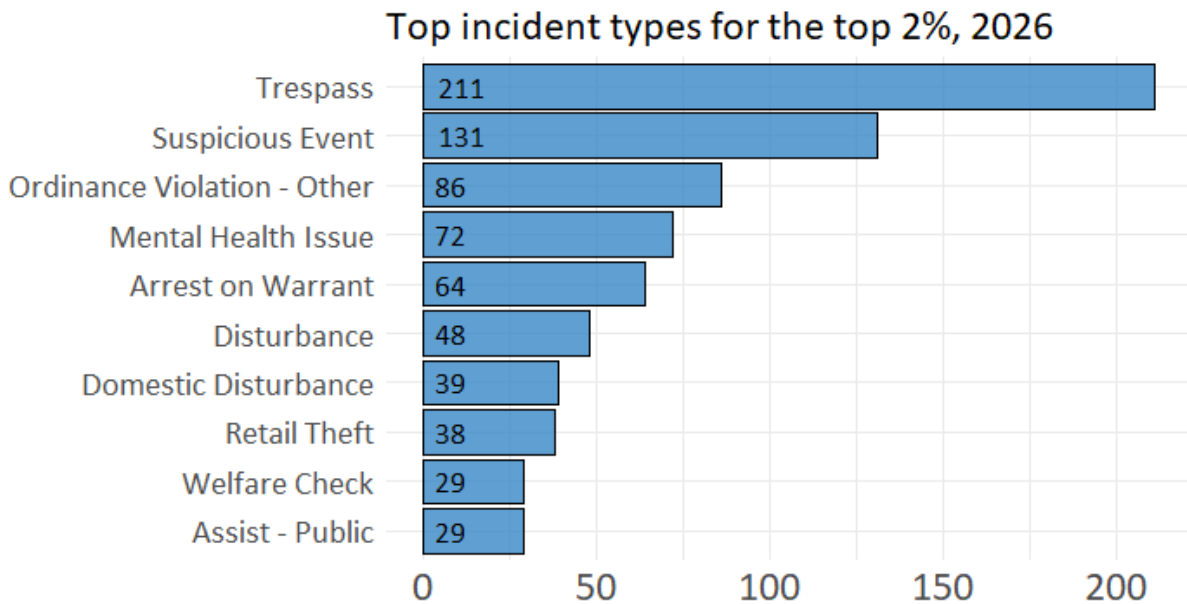

Patrol and outreach incidents excluded.
Data through 05/31/2026

Housing Status of Top 2%

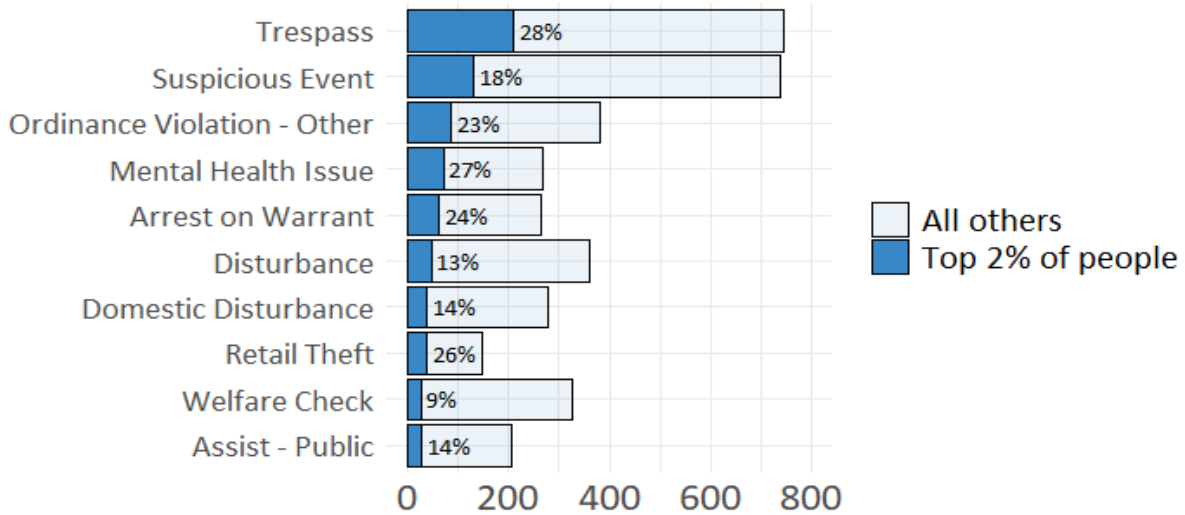

Housing status determined via address field in Valcour.

Top 2% Incidents

Data through 05/31/2026

Top incident types by population, 2026

Data through 05/31/2026

In closing, the data presented in this report, along with the positive changes seen throughout the community, are a testament to the dedicated people of the Burlington Police Department. I am continually impressed by the commitment, professionalism, and service they bring to our community every day. While significant work remains, the quality, consistency, and effectiveness of public safety services in Burlington have improved dramatically over the past year.

Respectfully submitted,

Shawn P. Burke – Interim Chief of Police

June 23, 2026
