3. August southern district meeting (45 min)

The south district meeting is going to occur on August 5th. We'll need to discuss the proper departments to reach out to, discuss coordination efforts with the councilors of this district, and come up with an agenda for the meeting.

Previous Meeting – At our June 3rd meeting, we reviewed some key lessons from the NACTO conference with Phillip Peterson and engaged in a group discussion on how best to answer some open-ended questions for the Bicycle Friendly Community awards.

Next Month: BWBC meets Wednesday, August 5th, 2026, 5:30 – 7:00 pm.

The BWBC is an all-volunteer advisory council to the City of Burlington. We work closely with and advise the Department of Public Works and the Department of Parks, Recreation, & Waterfront on infrastructure improvements and policy changes for walking and bicycling. The council also leads advocacy efforts and organizes events and activities that promote and celebrate walking and biking in Burlington and beyond.
