Project Updates

Open Space Addendum:

Committee members discussed the proposals and declined to make a selection. They'd like to see additional information as to background research relative to nature based climate solutions and what they might look like for Burlington.

BCLF Application Form:

Dan Cahill noted the importance of small scale green spaces within the city's neighborhoods and the need to revise the application form to reflect the importance of potential pocket parks and community gardens. He will make draft revisions to the form for discussion next meeting.

BCLF Logo:

Committee members agreed that the current Urban Wilds logo could serve as the basis for a Legacy Fund logo. Some additional trees should be incorporated into the design to reflect the city's 50% canopy target. Dan Cahill said he'd follow up with a designer to have one put together.

Adjournment
5:30 PM.

The programs and services of the Dept. of Permitting & Inspections are accessible to people with disabilities. For accessibility information call 865-7188.
