3.02 Communication: Caleb Manna, Excavation Inspector, DPW, re: Champlain Parkway Skate park - Encumbrance Application (40 mins.)

Type: Action

Recommended Action: Recommendation: The Department of Public Works is not in position to support this request for several reasons: ☐ DPW does not want to set the precedent that unauthorized use of ROW space is allowable ☐ Neighborhood concerns with activity in area ☐ Soil contaminants need to be mitigated for concrete ramp construction. ☐ DPW does not allow any private construction staging or stockpiling in this area with City capital improvement projects. ☐ The City cannot support this request without an insurance policy from the applicant, naming the city as additionally insured.
