AR stated that he is having a meeting with Jane, Noel and himself to start a dialogue and hopefully settle this complaint. Noel stated that other establishments, besides Nectar's, should be part of this discussion as well as the noise complaints could be applied to several late night businesses on the bottom of Church Street. Noel stated that they offer earplugs, at no charge, to all patrons and employees and not everyone needs to or chooses to wear them. The speakers do not directly face out towards the street, they are turned inward to face the dance floor.
