McClure Lobby Community Room, UVM Medical Center

Members present: See separate link for sign-in sheet.

MINUTES

The meeting commenced at 7:05 pm.

Introductions were made of everyone present.

East District City Councilor Selene Colburn gave an update on the work of the Community Development and Neighborhood Revitalization Committee and the Housing Action Plan.

Ward 8 City Councilor Dylan Roof shared an update on standing of a temporary operating agreement with Uber.

Ward 1 City Councilor Sharon Bushor discussed new job positions in the City budget with a focus on Teen Librarian position.

School Commissioner Mark Porter gave an update on the school budget and how the legislative cap will affect the Burlington School District.

Jason Williams gave an update on UVM Medical Center and upcoming construction projects.

Ward 1 resident Caryn Long provided a summary of the residential parking public meeting.

Speak Out included updates on the Walk Bike Plan and questions about solar energy usage at the UVM Medical Center.

Lt. Matthew Sullivan gave a status update of the Burlington Police Department, student-neighbor relations issues, and substance abuse trends.

Public Works Director Chapin Spencer discussed traffic light cycles and paving schedules.

South End Artists Alliance led a discussion of concerns regarding Plan BTV South End.

The meeting adjourned at 9:26 pm.
