We discussed the agenda for next Ward 5 NPA meeting of Jun 16, 2016.

Alec and Bill confirmed that City Market will be able to provide us with food, and we should be able to pay for it out of our \$400 annual NPA budget.

The agenda will be:

Mary Sullivan, State Representative for Chittenden District 6-3, will speak.

Michael Sirotkin, State Senator for Chittenden County, will speak.

We will end with socializing with all the attendees.

We decided to have Tony Redington, representing Coalition for a Livable City (CLC), speak at the September NPA meeting. Redington had recently written to the steering committee, requesting a speaking opportunity.

We discussed a request by Ann Taylor to speak to the NPA to advocate for general approval of the Burlington Town Center project. We decided to have Taylor or other representatives from the project come speak at the October NPA meeting. We decided to also ask Mayor Miro Weinberger to speak at that meeting if he was willing.

Motion to adjourn adopted at 1:55 PM.
