Present: Rebecca Roman, Zoe Richards, Kyle Tansley, Scott Gustin, Alicia Daniel, Sophie Sauve, and Sharon Bushor

I. Public Comment

None.

II. Project Updates

- Natural Climate Solutions grad student project

ZR overviewed the project. It is aimed largely at quantifying benefits of nature based climate solutions in Burlington and also involves publicity and identification of possible funding sources for implementation. September completion anticipated.

- Pollinator garden grant application

RR noted the recent application submission for a small pollinator garden grant for use in Burlington.

- Possible collaboration with Parks as to Urban Forestry Master Plan

Sophie said possibly starting this fall with Jon Adams Kolitz. She noted VJ needing to participate as well. Subcommittee members are willing to collaborate in moving this project along.

No action was taken.

III. Other Business

None.
