Please provide the answers to the following questions:

Is your business plan in compliance with all Vermont State laws and regulations, including but not limited to advertising, marketing, and product packaging requirements?

Yes

What kind of precautions will you take to prevent underage sales?

We have been preventing underage sales for over 30 years and will continue to do so. We will be IDing at the door, and once again at the point of sale.

Is your business registered with the Vermont Secretary of State's Office?

Yes

Does your occupancy load comply with all necessary FMO approval?

Yes

Will you be complying with all state security requirements?

Yes

For Retail Establishments Only: Is the location for the proposed business located within a 500 ft buffer from an education facility, as depicted on this map? If so, is the establishment on a property that shares a property line with or is across the street from one of these facilities?

No

Have you obtained approved Signage and/or other Zoning permits as needed through the City of Burlington's Department of Permitting and Inspections? Please attach.

Not currently, we are doing no changes to our signs and our store's appearance currently.

Have you obtained a water/wastewater capacity allocation (if applicable) from the City of Burlington's Department of Public Works, Water Resources Division, and any other water/wastewater approvals necessary from the State of Vermont? Please attach. ***N/A***
If you need assistance with this, please contact the Water Resources Division as soon as possible at (802) 863-4501 or water-resources@burlingtonvt.gov.

Have all fees been paid? ***We are paying the CCB fee today***
