AGENDA:

1. Introductions, Announcements, Updates and Public Comments (10 min)

2. Follow-up to Parks Department Discussion - Greenway Issues (40 min)

Last month we heard from Parks Department staff on walk bike issues related to parks and the Greenway ([See 10-4-23 Meeting Notes](#)). Parks invited BWBC to follow-up with data and recommendations on two Greenway issues that generated particular interest: improving the safety of the vehicle crossing points, and the Parks Department policy/practice on closing the Greenway during events on the lawn at Waterfront Park. Jason Stuffle will guide the discussion on improving the vehicle crossings by presenting initial recommendations based on his recently conducted inventory and analysis.

3. BWBC Work Plan - Reflect and Plan Ahead (40 min)

As we approach the end of 2023, we'll take time to reflect back on what we did and didn't accomplish and begin discussion on what's important and feasible for BWBC to focus on for 2024. We will use the [2023 Work Plan \(draft\)](#) as a starting point for discussion, aiming to prepare a new work plan by the end of the year.

Previous Meeting – At the [October 4, 2023 meeting](#), DPW staff presented an update on the Main Street Great Streets projects, due to begin construction this fall, and Parks Dept Staff discussed walk/bike issues under their jurisdiction.

Next Month: BWBC Meets Wednesday, December 6, 2023, 5:30 – 7:00 pm

The BWBC is an all-volunteer advisory council to the City of Burlington. We work closely with and advise the Department of Public Works and the Department of Parks, Recreation, & Waterfront on infrastructure improvements and policy changes for walking and bicycling. The council also leads advocacy efforts and organizes events and activities that promote and celebrate walking and biking in Burlington and beyond.
